CHIRP Radio Supporting Tutor/Mentor Jam

Tutor/Mentor Jam – A “Back To School” Benefit at Darkroom on August 29, 2010

August 7, 2010 (Chicago, IL) – Tutor/Mentor Jam is honored to add CHIRP Radio (a non-profit, volunteer-run, music-, arts-, and culture-focused radio station that transmits live from Chicago’s North Center neighborhood) to its growing team of supporters for this year’s music/comedy benefit concert on Sunday August 29 at Darkroom.

The Chicago Independent Radio Project (CHIRP) is dedicated to providing Chicago residents with a community radio station focused on the representation of local people, events, and issues alongside a wide array of local and independent music. CHIRP seeks to promote localism, diversity, and independence in public broadcasting via programming and web content curated, created, and produced by Chicagoans.

This media alliance will help ensure that Tutor/Mentor Jam’s mission is heard loud and clear, and that Tutor/Mentor Jam’s call to action for community leaders and concerned citizens to draw new volunteers and donors toward non-profit tutor/mentor programs, will succeed in maximizing support for students as they return to school this fall.

CHIRP will have several volunteers at an event table, to answer participants’ questions, and staff writer Aharona Ament (who also writes for Gaper’s Block) will be covering the event.

Free Bar-B-Que supplied at 5pm by Man B Que (until supplies run out) manbque.com

Quotes

"I'm co-producing Tutor / Mentor Jam because Tutor / Mentor Connection has a long history of positive impact on the community. This positive tradition needs continued support."

- **Mark Shore,**
Shore Capital Management LLC www.shorecapmgmt.com

"The reason I'm at Cabrini Connections is because it's helped me meet new friends, and the people in my life now have all helped me become better at what's going to come ahead in life."

- **Charles Hill**
10th Grade Student, Cabrini Connections Tutor/Mentor Program

"I volunteer at Tutor Mentor Connection because it develops our youth to reach new heights. It proves that we can fight crime and poverty by working directly within the community through personal relationships. Tutor/Mentor Jam will educate, gather, and entertain this community."

- **Chirag Patel,**
Volunteer, IT Professional
